SUMMER 2026

New schools make Riverfield a smarter choice

We're blessed at Riverfield to have so many new, modern schools to choose from, and all so close to home.

Kulap Primary and Kulap Kindergarten (which had the interim name of Ballarto Road Primary) is located within the original Riverfield precinct and opens its doors to students from Kindergarten and Prep to Year 6 in time for first term this year. It doesn't get much closer than that!

By the end of the year it's anticipated that St Carlo Acutis Catholic Primary (only 850m from Kulap Primary) will be

complete and ready to accept enrolments for 2027. Both these schools are state-of-the-art, offering everything your child needs for a successful start to their education.

New schools symbolise the growth of Clyde as a destination. Riverfield is rapidly becoming established, and the entire area is following suit!

For more detailed info about the huge range of schools nearby, download our Education Guide from the Riverfield website.

With the first half of the village completed before Christmas, excitement for the remaining homes has been growing. Due for delivery over the coming months, the remaining 16 display homes will showcase amazing contemporary designs.

Another great season for the Melbourne Stars

We were thrilled to return as the Presenting Partner of the Melbourne Stars Family Day held at Casey Fields in December. The event was a fantastic celebration of cricket and community, with thousands of passionate fans turning out to meet their heroes, snap selfies, and collect autographs from their favourite Stars players. The energy and enthusiasm on the day truly showcased the strong connection between the Stars and the Casey public.

With another season done and dusted we're proud to have supported the Melbourne Stars for another exciting Big Bash campaign. While the ultimate goal of a BBL title remains out of reach, the team's journey to the finals and the many memorable moments along the way gave fans plenty to cheer about. We look forward to continuing this partnership and celebrating more highlights together in the seasons ahead. As the major sponsor, Brown Property Group remains massively proud of their performance. It all started with the Melbourne Stars Family Day back in December, when we were joined by members of the Riverfield community (and a few of the superstars!) to kick-off their season. What a great day, filled with festive fun and marvellous memories.

We're already looking forward to next season!

Construction update

Construction in and around Riverfield continues to progress at pace. The Tuckers Road extension is forecast to be completed by late February, with the Tuckers Road and Viridian Boulevard intersection now signalled to make getting around easier.

Construction of the greenlink along Cerulean Promenade is expected to finish mid-February, with official opening anticipated in March following council sign-off.

We also expect works on the Heritage Reserve in Stage 25 to be completed in April – stay tuned for an update in the next newsletter.
