AUTUMN 2026

Our new Display Village is the talk of the town

The grand opening of our Display Village on Saturday 28th March was a tremendous success, thanks to all the wonderful Riverfield residents, future residents, and the broader City of Casey community who came along and helped us celebrate.

There was something for everyone to enjoy, from the roaming Easter Bunny and activities for the kids, to live entertainment and, of course, the incredible homes on display – the real stars of the show.

There are currently 33 beautifully designed homes ready to explore – with 4 more to open later this year, all delivered by 14 of Victoria's leading builders. Each is a dream home in the waiting, ready to help the many families destined to join Clyde's best community.

And what a community we have! The sense of belonging from our hundreds of residents was a joy to experience. We can't wait to celebrate with you all again very soon!

Riverfield is now 1,000 families strong!

What a milestone! When Jason and Stephanie decided that Riverfield was the place for them, they were delighted to learn that 999 families had arrived at the same conclusion previously – making them our 1,000th purchaser!

Strong communities are built on a rich fabric of diversity, so it's appropriate that after years of buyers snapping-up land and house & land packages, it was an off-the-plan Nostra Townhome that Jason and Stephanie fell in love with.

Before that, they were interested in the amenities within the Riverfield masterplan, the proximity to everything they could ever want or need in Clyde, the thriving success of our rapidly growing community, and the possibility of a better future in Clyde's best community.

Our community continues to grow by the day. We're looking forward to welcoming family number 2,000 in the not-too-distant future!

THE COLOURS OF AUTUMN

Spiced Pumpkin & Lentil (Dal) One-Pot Curry

A recipe as delicious as it is colourful. Serves 4-6

Ingredients:

- 1 tbsp oil (vegetable or ghee)
- 1 brown onion, finely chopped
- 2 cloves garlic, minced
- 1 tsp grated fresh ginger
- 1 tsp cumin seeds
- 1 tsp ground turmeric
- 1 tsp ground coriander
- ½-1 tsp mild curry powder (adjust for kids)
- 2 cups pumpkin, peeled and cubed (butternut works well)
- 1 cup red lentils (rinsed)
- 1 can diced tomatoes
- 3 cups vegetable or chicken stock
- 1 cup coconut milk
- Salt to taste
- Optional: handful of baby spinach

To serve:

- Steamed basmati rice or warm roti
- Fresh coriander (optional)
- Plain yoghurt (optional, for kids or to cool spice)

Method:

1. Heat oil in a large pot over medium heat. Add cumin seeds and let them sizzle for 30 seconds.
2. Add onion and cook until soft and lightly golden. Stir in garlic and ginger.
3. Add turmeric, coriander, and curry powder. Cook for 1 minute until fragrant.
4. Add pumpkin, lentils, tomatoes, and stock. Stir well.
5. Bring to a boil, then reduce heat and simmer for 20-25 minutes until lentils are soft and pumpkin is tender.
6. Stir in coconut milk and spinach (if using). Simmer for another 5 minutes.
7. Season with salt and adjust thickness with a little water if needed.
